

Bluejay

Bluejay, bluejay, sitting on a fence.
Bluejay, bluejay, have you no sense?
Bluejay, bluejay, what do you say?
Bluejay, bluejay, don't fly away.

Bluejay, bluejay, sitting all alone.
Bluejay, bluejay, what have you done?
Bluejay, bluejay, can't you hear?
Bluejay, bluejay, there's nobody near.

Bluejay, bluejay, white, blue and black.
Bluejay, bluejay, who's got your back?
Bluejay, bluejay, hush now and sleep.
Bluejay, bluejay, be quiet, not a peep

Bluejay, bluejay, high up in a tree;
Bluejay, bluejay, raucous and so free.
Bluejay, bluejay, catching a fly;
Bluejay, bluejay, flying up so high.

Bluejay, bluejay, go find a wife.
Bluejay, bluejay, live a long life.
Bluejay, bluejay, what do you hear?
Bluejay, bluejay, have you no fear?
